## EDUCATION

---

**B.Tech in Computer Science and Engineering** **Sept 2023 – Present**  
*Andhra University College of Engineering, Visakhapatnam, AP*  
CGPA: 9.09/10 (up to 3rd Semester)

**Diploma in Computer Engineering** **Aug 2020 – Apr 2023**  
*Govt. Polytechnic for Women, Bheemunipatnam, Visakhapatnam, AP*  
Percentage: 94.77%

**SSC (Class X)** **Aug 2019 – Apr 2020**  
*S.V. Keerthi High School, Visakhapatnam, AP*  
Marks: 593/600

## TECHNICAL SKILLS

---

- **Programming Languages:** Java, Python
- **Database Technologies:** SQL, MongoDB
- **Web Technologies:** HTML, CSS, Bootstrap, JavaScript
- **Development Stack:** MERN (MongoDB, Express.js, React.js, Node.js)

## SOFT SKILLS

---

- **Soft Skills:** Team work, Adaptability, Effective Communication and Problem-solving.

## PROJECTS

---

- **Finance Tracker (MERN Stack)**
  - Developed a full-stack expense management application with user authentication and secure login.
  - Integrated real-time data storage using MongoDB for transaction management.
  - Implemented features for adding, editing, and deleting transactions with a responsive UI using React.
- **SmartCart (MERN Stack)**
  - Developed a full-stack e-commerce platform with product listings and add-to-cart functionality.
  - Implemented secure checkout flow and user-friendly navigation.
  - Designed responsive UI with React.js and developed backend APIs using Node.js and Express.js.
  - Utilized MongoDB for product and order data management ensuring a seamless user experience.

## ACHIEVEMENTS & CODING PROFILES

---

- Solved 400+ coding problems on GeeksforGeeks
- 3-Star Coder on GeeksforGeeks Coding Platform

## INTERNSHIP

---

### **Full Stack Development Intern**

**Mar 2024 – Aug 2024**

*I and T Labs*

- Assisted in developing web applications using HTML, CSS, JavaScript
- Worked on building responsive frontend components and integrating backend services.

### **Web Development Intern**

**May 2024 – June 2024**

*Microsoft Future Ready Talent (Virtual)*

- Completed hands-on projects focused on frontend and backend development using industry-standard tools and practices.

## CERTIFICATIONS

---

- SQL Certification — PrepInsta Prime (Completed June 2024)
- MERN Stack Development Certification — PrepInsta Prime (Completed June 2024)

## EXTRACURRICULAR ACTIVITIES

---

- Member of Codeiam Club, Andhra University
- Volunteer at Eco-Visionaries Club, Andhra University
- Member of Google Developer Group (GDG) Club, Andhra University
